Marxism is not about atheism, Chairman Gus Hall was famous for saying, "Our quarrel is with capitalism, not God." Karl Marx was absolute in opposing oppression and not religion. However, a true Marxist is about the worker and their rights. Religion should not necessarily be a focal point in our struggles, but to each to their own. Our focus is on the oppression. Oppression keeps us struggling for our rights/dignity which keeps us from working for a more loving peaceful existence.

Each culture has their own creation mythology. The Judeo-Christian beliefs are those of the tribe Israel. Yet the oldest known culture are the Sumerians which pre-dates Jewish cosmology by thousands of years. Within the Sumerian cosmology are a flood, savior born, death, and resurrection. The Jewish retelling of this mythos does not negate it's possible truth but yet presents itself to their own cosmos.

This book is designed to elicit inner questions to wrestle with and better understand Communism.
